

Dear Parent or Guardian,

Your child will be visiting Boston Library with their class very soon.

Joining the library opens up a wide range of opportunities, information, knowledge and enjoyment including;

- Borrowing a wide range of books for homework and for reading for pleasure
- Borrowing suitably classified films, music and audio books
- Using the library computers (People's Network) which are internet accessible to get information either for homework or leisure activities. Please note that filtering software is in place.

If you would like your child to become a member of the library we need an adult to act as guarantor for any library member aged 17 and under.

Please come in to the library with a form of ID that shows your address e.g. a driving licence, utility bill or bank statement.

Your information will be for library use only and kept secure under the terms of the Data Protection Act.

Thank you
