Watch the video for a cartoon version of the Pentecost story-

Read through the powerpoint (found under Remote learning - RE Week 5) and discuss the questions (remember to click the flame in slideshow mode to reveal the answers).

I have also attached a Pentecost word mat to support any discussion or inspire your image/writing.

### Your Task

Create an image- using pencil, pens, paints, collage materials etc. to represent the story of Pentecost. Think about the symbols used and what they represent. You could write about your image to explain the reasons behind the symbols and how this influences Catholics today.
