Learning Project - To be completed throughout the week

Here is an overview of tasks I'd like the EYFS children to be completing at home over the next week.

Understanding Our World

We are lucky to be able to visit some Zoos from the comfort of our own homes. Can you talk about the animals with your adults? What are they doing? What do they look like?

Click on the Zoo names to explore their webcams.

Head up North to Scotland to [Edinburgh Zoo](#)

Or a trip down to the South of England to [Paignton Zoo](#)

Further afield in [San Diego Zoo](#)

What do you notice about the time of day in San Diego and the time of the day in England? Can you find out where San Diego is?

Can you complete the worksheet 'Whose house?'

Write in your Bean Diary (Each week – long term project as it grows)

Please send us your bean's progress on Tapestry, we would love to see how they are growing.

Is your bean growing? What has happened so far? Can you draw and label a picture of it?

Music - Can you remember any songs from Mrs Patterson? "

"Hickety, Tickety, Bumblebee can you sing your name for me....."

PE - Can you move like an animal? Slither like a snake, pounce like a tiger, waddle like a penguin, flap like a parrot or stand tall like a giraffe.

Relax and unwind with some yoga from Cosmic Kids
