

St. Mary's RC Primary School

PE and sport premium funding statement

The primary PE and sport premium was introduced in March 2013 to improve the provision of physical education and school sport in primary schools across England. The funding is provided jointly by the Departments for Education, Health, and Culture, Media and Sport. The funding is allocated directly to primary schools and may only be spent on improving the provision of PE and sport in schools.

How the money was spent in 2017 – 18:

Equipment	£1145
Membership of the Boston Schools Sport Partnership	£2400
Transport to competitions and sports fixtures	£145
Curriculum time coaching and after-school clubs provided by Boston United	£4737
Total:	£8467

Notes:

A large quantity of PE equipment, including rackets, balls, skipping ropes and two kwik cricket sets were purchased following an audit of PE resources.

Membership of the Schools Sport Partnership entitles us to access a programme of sports competitions, festivals and development events throughout the year.

Boston United coaches have provided curriculum time coaching throughout the academic year, and three after-school clubs each week.

The PE and Sports premium funding in 2018 -19 is £17780.

How the money will be spent:

PE Apprentice	£6000
Equipment	£1000
Membership of the Boston Schools Sport Partnership	£2400
Transport to competitions and sports fixtures	£260
Curriculum time coaching and after-school clubs provided by Boston United	£5000
Curriculum time coaching provided by Discovery Sport	£3120
Total:	£17780

Our plan for developing PE and sport provision:

We aim to appoint a PE apprentice to support the provision of PE and sport within the curriculum and through after-school clubs. In addition, this appointment will enable us to take groups of children to additional tournaments, festivals and other events.

We will continue with our membership of the School Sports Partnership (SSSP) which provides access to a range of tournaments and festivals throughout the academic year. In the year ahead, it is our aim to take advantage of a greater number of the opportunities for competition and development offered by the Partnership.

In addition to the competitive events organised by the SSSP, we will offer our pupils a programme of other competitive sports events throughout the year. This will include participation in the inaugural local football league for girls.

More pupils will be given the chance to develop their leadership skills through the appointment of sports ambassadors to help with the delivery and promotion of school sport and PE. A number of Year 5 pupils will once again be trained as playground leaders to work in partnership with the staff on the Key Stage 1 playground. They will offer pastoral care and organise games for the younger members of our school community.

It is our aim to further develop opportunities for pupils on the SEN register, and also those who are generally less active to encourage them to participate in sport and physical activity through Change 4 Life events and Boccia.

To further enhance the curriculum time coaching on offer to our pupils we will engage Discovery Sports to offer PE lessons to four classes each week. In addition, the coaches will work in partnership with staff to improve their skills and confidence in delivering PE.

We plan to further promote our links with local sports clubs including Boston United.

We expect to meet the criteria to be awarded the Sainsbury School Games Silver Award again this year.
