

What strange fish could Tiddler see in the sea?

My fish is green.  
It has a fox tail  
It has cat ears.  
It has bird wings.  
It has an elephant's trunk.

Encourage your child to sound talk the ideas they have had in order to write them down. If they struggle with the whole word, get them to think about the sound their word starts with for example 'b' for bird.

Example of phonetically plausible writing using Set 1 and set 2 sounds:

My fish is green.  
It has a fox tayul.  
It has cat irs.  
It has berd wings.  
It has an elefant trunk.
