

Topic 8th January

Today we have talked about different books that we have read. I would like you to tell me about a book you have read.

It could be your school reading book or even just a book that you liked reading at home or from the book corner.

You are going to write your own review of the book. I will include an example below for you as well as what you need to include in your review.

What to include:

- Title of the book
- Author (Who wrote the book)
- What is the book about?
- What is your favourite part?
- Is there anything you do not like about the book?
- Would you want your friend to read this book? Why?
- Draw a picture of your favourite part of the book.

Example:

Title: The Dinosaur that Pooped Christmas

Author: Tom Fletcher

Review:

This book is all about a little boy who asked for too much for Christmas. Then Santa sends him a dinosaur to teach him a lesson. By the end of the book the little boy is very sorry for all the trouble he has caused.

My favourite part of the book is when the dinosaur poos all the different things out of his bottom. I really liked it when Dad came surfing out. I laughed a lot at that part.

I do not like the beginning of the book because the boy is rude to his parents and asks for too much. I think it is important to be nice to people who look after you.

I would recommend this book to a friend because I think they would find it funny, and it is always good to have a smile on your face when you are reading.
