LO: To design a stained-glass window that symbolises unity, giving reasons for your choice and showing understanding of how that might shape people's lives.

This afternoon, I would like you to design a stained-glass window which expresses in either pictures or symbols, the idea that we are all joined to each other as different parts of one body (brothers and sisters) and are one with Jesus.

*After you have completed your design, I would like you to write blurb as though you are an artist and your painting is in a gallery, **giving reasons** for your choice and showing understanding of how that might shape people's lives.*
