LO: To understand what rationing was and why it was important

Rationing

WW2 was a very worrying time for many people in Great Britain. A lot changed and it was the Government's job to keep people informed whilst at the same time reassuring them and making them feel safe.

Use your knowledge of rationing to create a Non-Chronological report about 'Rationing'

- What was rationing?
- What type of foods were rationed?
- How did rationing work? (Ration books & Coupons)
- Why did the Government need to use it?
