

Topic words and key vocabulary

Next term, our topic will be **Frozen Kingdom**

Below is a list of some of the key vocabulary we will be using during this topic. We will discuss it with your child in school, and would appreciate if you could spend some time talking together about the words and topic during the Christmas break.

Some activities might include using a dictionary to find definitions, or creating their own definitions of words (including pictures) to help with their understanding.

Iceberg	Ice sheet	Snow storm
Antarctic	Ice shelf	Snow drift
Arctic	Inuit people	Temperature
Climate	Melt	Tundra
Expedition	North Pole	Walrus
Freeze	RMS Titanic	Mammal
Glacier	Polar bear	Eco-system
Habitat	Settlement	Food chain

Many thanks for your continued support.

Miss MacMahon
