Dear Lisa,

DIOCESAN CANONICAL INSPECTION – MONITORING VISIT

Further to your school's recent visit from the diocesan primary adviser for Religious Education and having read the notes from the visit, I am writing to inform you that I have cancelled the school's DCI monitoring visit which was due to take place prior to the end of the Pentecost Term 2019.

It is most heartening to read of the school's rapid progress in terms of standards in Religious Education and I would like to take this opportunity to thank you, Lucy and all of the staff at St Mary's for your tremendous work.

The school will now be inspected in the normal round of inspections. I would be most grateful if you could kindly inform members of staff and the school's local governing body.

Yours sincerely,
