

18.9.2026

This week we have continued focusing on place value in maths. In English we have been focusing on nouns and writing noun phrases. Please support your child in completing the tasks below and return by next Wednesday 23rd September. As always, please ensure your child reads 2-3 times weekly and it is signed in their reading record. A spelling sheet will be sent home separate. Please do not hesitate to come see myself or Miss Gardner if you have any queries. Have a lovely weekend, Mrs Harness.

Maths

What number?

English

Can you support your child to complete the noun phrases below by selecting an adjective from the word bank.
