

30.1.2026

This week in English we have been real researchers and find out amazing facts about London Landmarks. Can you support your child in finding interesting facts all about London transport. We have been looking at the 5 w's to support with research - who, what, when, where and why. The facts can be done as a mind map, bullet points or even drawing ideas. We look forward to seeing what the children find out!

Please return by next Wednesday 4th February, thank you for your support, Mrs Harness, Mrs Green and Mrs Liu.
