

English/RE:

Go out into your garden or somewhere in nature and look at all the wonderful things around you - What did you see?

You could take photos, draw a picture or write a sentence to describe what you saw. We will discuss these in our RE lesson next week.

Maths:

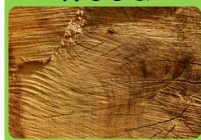

This week we have been recapping counting numbers to 10. You will find your maths activity on the next page.

Science:

This week we have learnt about the names of some different materials. Can you find some objects around your house made of some of these materials?

Write them down or take a picture!

wood

plastic

glass

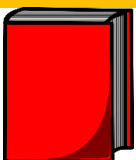

metal

water

rock

Please read at home daily and remember to write in your reading record. Books will be changed in school on Mondays, Wednesdays and Fridays.

Fruit Counting to 10

Count the number of fruit pictures in each row and write the answer in the circle.
