Geography/English

Label the attached diagram of the structure of the Earth. Think about what you have learned this week about the layers of the Earth.

Use these labels to help you:

outer core
crust
inner core
mantle

Challenge: Describe the layers, what are they made of? Can you find out any other facts about the layers of the Earth?

If you or your child have any questions regarding homework, please ask myself before Wednesday.

Have a lovely weekend,

Mr Heath
