Harvest

Harvest is the time when farmers collect crops from the fields. There are many different foods harvested in England, including carrots, beetroots and pumpkins!

There are 4 seasons:

Winter

Winter is the coldest season of the year. In winter, we celebrate Christmas.

Spring

In Spring, the weather begins to get warmer, trees grow leaves and many flowers bloom. We celebrate Easter.

Summer

Summer is the hottest season of the year. We have the summer holidays to spend with our families.

Autumn

In Autumn, it begins to cool down and leaves fall from the trees. We celebrate Harvest Festival.
