

Year 3 Home Learning - Friday 16th January

Due Wednesday 21st January

Maths:

Please practise telling the time on the digital clock too please. The children have looked at from and to the hour. For telling time to the hour we have used the column method to work out the answer. So if it is 2:46 it is $60-46=14$ which means it is 14 minutes to 3.

English:

We've been learning about Mary Anning, the fossil hunter, She was the inspiration for 'She Sells Sea Shells...'

She sells sea-shells on the sea-shore.
The shells she sells are sea-shells, I'm sure.
For if she sells sea-shells on the sea-shore
Then I'm sure she sells sea-shore shells.

Have a go and see if you can learn it - how quickly can you say it?

Have a lovely weekend,

Mr Heath
