To further develop our learning about Creation and Stewardship in RE and linking to our Geography 'Our Changing World', please complete one of the following.

Option 1: Create a Stewardship Poster

- Design a poster that teaches others how to care for the Earth, God's gift to us.
- Include a short slogan like "Care for Creation!"

Option 2: Stewardship Prayer

- Write or complete a simple prayer to thank God for creation and ask for help to look after it.
Example starter: *Dear God, thank you for...
Please help me to...*

Complete a draft in your homework book and then publish your work on the paper provided. We would love to be able to share these around school throughout this term, so they need to be **thoughtful and beautifully presented**.
