

Year 6 Home Learning

Due in by Wednesday 24th September 2025

Maths

This week, we have been exploring Negative Numbers, we have used our existing knowledge to help us complete number sequences and find the difference between the positive and negative numbers.

I would like the children to practice negative numbers for homework this week to consolidate our learning from Maths lessons.

English / Topic / RE

1. Write the name of the fossil discovery and who found it.
2. Write **3 interesting facts** about it.
 - o e.g., Where it was found, what the fossil showed us about ancient life, or why it was important.
3. Add a **small drawing or diagram** of the fossil or the scientist who found it.

Challenge:

Explain in your own words: *How has this discovery helped scientists understand the history of life on Earth?*

Spelling

Pattern/Rule

Words that are synonyms, which means that they are words with the same or similar meanings.

Please complete your 'Read, Say, Cover and Write' sheet.

Please come and see myself or Mrs Crawford-Scott if you need any help 😊
