

Year 6 Home Learning

Due in by Wednesday 4th March 2026

Maths

Over the next term, we will be closely on our arithmetic skills. Please complete the Arithmetic Booklet **ready for us to go through in class next Friday**. Please show your working out.

English / Topic / RE

Research - Please explore the Industrial Revolution and how this had an impact on people's daily lives. I would like you to find out 5 facts and share them in our History lesson next week.

Reading Comprehension - complete the VIPERS questions based on the text provided.

Spelling Pattern/Rule

Common Exception Words.

Please complete your 'Read, Say, Cover and Write' sheet and use these words to create sentences in the correct context.

Please come and see myself or Mrs Crawford-Scott if you need any help 😊
