This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Train Playground Buddies to engage KS1 pupils in active play activities (under supervision of staff)	Y6 pupils have been trained through Schools Sports Partnership. KS1 pupils have actively participate in activities and Y6 pupils have displayed strong leadership skills.	This is proving highly beneficial to our Year 6 pupils as leaders and to our KS 1 pupils in developing their social skills during lunchtime break.
Increased activity in sports and a range of after school activities offered.	There has been an increase in participation in extra-curricular activities provided by Discovery Sports. Cricket Capture the Flag Ultimate Frisbee Golf	We wish for this to continue.
More competitive events within school and inter-school.	During lunchtime, pupils have been able to compete against each other and with other schools through Discovery Sports Competitions which are held internally and the scores compared against other schools.	This will continue to be further developed.
Staff to become more confident in the delivery of quality PE lessons.	Staff have gained confidence in working alongside Discovery Sport coaches and enabling pupils to receive more structured and active lessons. Thus developing their knowledge and skills.	Further development for new staff.

Key achievements 2024-2025

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
1&2) Physical activity provision during breaks.	Pupils are activity engaged with games during lunchtime break (other than football.) Pupils makes use of activity boxes and equipment on a rota basis. Ie: basketball/netball, adventure play, skipping, hoops, tennis/raquet skills, and coach led additional activity such as: tri-golf, archery, cricket, athletics.	Due to more organised, play pupils have displayed positive behaviours. Playground leaders have been successful role-models as well to younger pupils.
2&3) Use of external coaches	Through the Discovery Coaching partnership we have been trialling the Beyond the Physical programme of study. This has had a positive impact on the engagement of pupils during PE and given pupils an active voice during their lessons.	We wish to continue developing this further in 2024-2025.
4) Competitions w/in and other schools	Pupils have participated in Cricket, Athletics, Netball tournaments.	This is a continued target for next year. We would like to engage local schools even more- for school v school to include more year levels and range of pupils of different skills levels.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study
