Skills Builder Home Learning Challenge

This term our Skills Builder focus has been **problem solving**. How many of these challenges can you complete? Cross them off as you do them. You could take a picture or bring in your creations to share with your class teacher!

Build a tall bridge or tower using items from your home	**Design and build your own model using things you might throw away**	**Solve a puzzle (you could even make your own out of cardboard)**
Design a scavenger hunt and write clues for your family	**Build a den using items from around your house**	**Use shoes to measure different items around your house**
Set up an obstacle course to complete at home	**Create your own board game to play with your family**	**Gather some items from around your house and sort them by size, shape, or colour**
